

TRIPLE A MINIS

We represent our Horses/Donkeys/Goats honestly and forthcoming, as having our Horses/Donkeys/Goats/Sheep AND Customers happy is the utmost importance to us.

All our animals are up to date on vaccines(annually), deworming(regularly), farrier work(every 8 weeks) and refreshed prior to departure to new homes.

We will not sell single donkeys to homes without other appropriate donkey as a buddy. They are much happier and better pets if they have a donkey friend. Please read, Donkeys need Donkeys by Tara Pilonero
